### London

The year 6 returned from London having had a wonderful experience touring Covent Garden, going to the Theatre to see Matilda, travelling on the London Eye and visiting the 'scary' dungeons. The children were an absolute credit to their parents and the school and various individuals both at the hotel, the theatre and the dungeons commented on their excellent manners and behaviour.

In the dungeons the children had their photograph taken and if you wish to download a digital image go to [www.picsolve.com/londondun-geon](http://www.picsolve.com/londondun-geon). You will need to enter a picture reference to look at the individual pictures, we were in 6 groups. Below are the individual picture references:

The school has already paid for the photographs and they can be downloaded for free.

### Pushchairs

Can we please remind parents again that pushchairs are not allowed in the school due to health and safety reasons. Past experience has taught us that pushchairs cause a significant obstruction when vacating the school building in an emergency and it is for this reason that the decision was made some years ago not to allow

pushchairs in school. Thank you for understanding.

### **Threadworms**

Unfortunately, a couple of children have been diagnosed recently with threadworms. This is a common childhood illness. Threadworms infect the intestine in humans and when excreted they look like small pieces of cotton thread. Threadworm eggs can survive on all sorts of surfaces including carpets and towels. They are often passed on by poor hygiene eg by not washing your hands after contact. Please be extra vigilant and if you do discover your child is infected then please ensure you treat the whole family. You can get medication from either your GP or over the counter from pharmacies.

---

Once again the money raised from our Summer Fair will be put towards enhancing our outdoor projects.
