Year 5/6

Just a reminder especially to parents of our older children about the pitfalls of gaming, or using social media sites in general (eg Instagram). Unfortunately, children cannot be supervised all the time, however, they constantly need to be reminded that behaviour/language/ photographs shared on the internet should reflect behaviour/language/ photographs which they would choose to use face to face with an individual. Many children do not realise that everything which goes on the internet stays on the internet! Please keep reinforcing this message with your children and make sure periodically that they are not accessing

unsuitable social media sites or behaving in an inappropriate way.
