

St Berteline's Church of England Primary School

School 'Result' waterproof jackets

Dear Parents

We now have the choice of purchasing 2 types of outdoor jacket, a reversible waterproof jacket with a fleece inside or a waterproof jacket without a fleece. They are both produced by 'RESULT' - a good quality outdoor clothing manufacturer. They also have the school logo sewn onto them.

There are sample jackets in school if you wish to take a closer look. The jacket (with fleece) is £25 each and the jacket (without fleece) is £21 each and there are six different sizes. FLEECES ARE OPTIONAL - and we do not wish to put any pressure on parents to purchase them - however, they are very good value and are very handy, not only as a school coat but also for general use. Please fill in the order form if you wish to order a jacket and send a cheque or cash with the order. Orders should be in as soon as possible - so that we can send off the whole school order together. Please contact the office if you have any queries.
