

St Berteline's Church of England Primary School

School 'Result' polar fleece

Dear Parents

There is the opportunity to purchase fleeces produced for the children. They are produced by 'RESULT' - a good quality outdoor clothing manufacturer. The fleeces are red, full zip-up, have a draw string and reflectors. They also have the school logo sewn into them.

There is a sample fleece in school if you wish to take a closer look. The fleeces are £16 each and there are nine different sizes, from toddler to adult. Adult fleeces are £17 each.

FLEECES ARE OPTIONAL - and we do not wish to put any pressure on parents to purchase them - however, they are very good value and are very handy, not only for coming to school in, but also for outdoor games in the winter months. Please fill in the order form if you wish to order a fleece and send a cheque or cash with the order. Orders should be in as soon as possible - so that we can send off the whole school order together. Please contact the office if you have any queries.
