Community Network
Supporting you to find the answers

Our Offer in Halton

ADDvanced Solutions Community Network offers open access, solution focused, community based pre, during and post diagnosis learning, coaching and mentoring for families with a child living with a Neurodevelopmental condition including autism spectrum disorder/condition, ADHD, sensory processing difficulties, specific learning difficulties, SEN and disability.

Our offer for Halton families living with Neurodevelopmental conditions and for supporting professionals:

- **Community Network Groups:** Do you have concerns about your child's behaviour or progress at home or school? Come along to our informal weekly workshops and solution focused drop in sessions **every Monday during term time from 12.45pm - 2.45pm (1.00pm whilst online)**. We also meet for family days out during school holidays.
- **Neurodevelopmental Conditions Family Learning Programme:** A structured learning programme equipping parents, carers and supporters with skills, knowledge and confidence to better recognise, understand and meet the needs of their family living with Neurodevelopmental conditions.
- **Awareness Raising Training for Professionals** to develop skills and confidence to better support the families they work with living with a Neurodevelopmental condition.

Please see our website for more information, what's on and our termly newsletter
