

What's On in Halton: Summer Half Term 2021

ADDvanced Solutions Community Network has an online offer to support children, young people, families and professionals in the Halton area.

We offer:

- **online learning workshops, groups and programmes for parents/carers**
- **professionals learning workshops**
- **telephone and email support**

Our online offer is delivered using Zoom for Healthcare. If you are using a phone, you will need to download the Zoom app beforehand. The details we request are kept secure and used in line with our privacy policy: <https://www.addvancedsolutions.co.uk/policies/privacy-policy.html>

If you are accessing our online offer using your mobile phone, please be mindful of your data usage. If you do not have an unlimited data plan, you may need to connect to a Wi-Fi connection to prevent charges.

Online Community Network Groups

A discussion based opportunity to develop your understanding around neurodevelopmental conditions, to ask questions and share learning and experience.

You can talk to other parents, the ADDvanced Solutions team and **visiting professionals** who can help and support you. **PLEASE NOTE: NEW REGISTRATION PROCESS - please register for the group using the purple link below. You only need to register once to attend any of the sessions listed below.**

Seeking Crisis Support?

ADDvanced Solutions Community Network is not a crisis service. If you, a child or young person is experiencing acute distress and is deemed to be a risk to themselves or others, **we have listed the local area crisis contact details on our urgent support page, which you can find on our website: www.advancedsolutions.co.uk under the 'Contact' menu option**, where you will also find links to national organisations that can offer support.
