Key Stage 1 Reading Reading is the key to all learning.

Just a reminder that if you have a child in Key Stage 1

the expectation is that you will be sharing their reading book with them on a regular basis. The ideal is that books are shared each evening however the minimum expectation is that this would take place three times a week (one of which should be at the weekend).

We recognise that we all have busy lives however in order for children to progress in reading it is essential that they get regular practice. Teachers spend their time with the children engaged in the teaching of reading, this may involve phonics teaching, developing comprehension skills, teaching book language, developing vocabulary, teaching grammar etc. The role of the parent is to use the skills taught at school in daily practice. Research underlines the fact that children of parents who do this achieve better and fulfil their potential.

Could we please ask that all parents support us in the learning process and read on a regular basis with their children. We apologise to those parents who have already instilled a good routine.

100 Club

We still have some numbers available for our 100 club. If you would like to buy a number please see Gill in the office. The idea is that you buy a number for £10 for the year. Each month a number will be drawn out (during Family Worship) and the winning number will receive £50. This is a good way of supporting the school - especially for working parents or grandparents. Thank you.

The Book Fair

Thank you for your support of the school book fair. The amount raised was just over £300. The money will go towards new books for the school library.

Football

Football club will be on this Wednesday but is cancelled next week due to Parents Evening.

Parents Evening

You should have received by now a Parents Evening letter. Parents Evening takes place on 17th and 18th October 2017. Please can parents send in their slips with times as soon as possible.

PLEASE NOTE THAT THERE WILL BE NO PARENTS EVENING FOR RECEPTION CHILDREN. There will be a drop in session organised next half term.

Please note that children whose parents do not live together do not have 2 parents evening. The Parents Evening is to discuss your child's progress and the focus will be on them, therefore it is expected that parents will join

together in celebrating their child's success with the teacher.

Operation Christmas Child

Can you believe it's that time of year again? We will be sending out a leaflet today

explaining how we can do our bit to help others at Christmas. In the meantime, can we please ask that you look for an empty shoe box ready to fill with goodies. Thank you for your support.

If you wish to purchase a photograph, please send in your form and money in the plastic wallet provided, if not in an envelope marked with your child's name and teacher. "You start out loving God's world and nature - don't let yourself fall out of love with it!"
