

**St. Berteline's Church of England Primary School.**

Dear Parent,  
This half term most of your child's learning will be organised within a theme of:

## *Wish You Were Here*

Your child will be learning in particular about:

- Instructions, reports and poetry – in Literacy.
- Measure and Statistics – in Maths.
- *Living Things* in Science.
- Habitats – Environmental Studies
- Pentateuch in R.E
- Hoola Hoop workshop Monday 11<sup>th</sup> June 2018

Your child will also be concentrating on:

- ❖ World Geography (linked to the football World Cup).
- ❖ Dad's Reading Afternoon (5<sup>th</sup> June 2018)
- ❖ Sports Day (6<sup>th</sup> July 2018).
- ❖ Y5 'Bikeability' (16<sup>th</sup>-19<sup>th</sup> July 2018). More info to follow.

FIFA WORLD CUP

If you have time to help you could:

- ✓ **Note:** Please have your child's PE kit in school at **all times**.
- ✓ Weather permitting many PE lessons will take place outside – so that we can concentrate on rounders and athletics. Please ensure that your child has a PE kit in school.
- ✓ Please make sure that your child has an **ink pen** with which to write.
- ✓ **Help your child to complete weekend homework.** This will be issued each Friday.
- ✓ KS2 children take greater responsibility for their own reading and for changing their books.
- ✓ Encourage your child to monitor his/her own reading. Your child should think critically about the contents of the book. (A dated reference to what has been read should be written in the Reading Record.)

I would not wish you to do these instead of spending time reading with your child or generally enjoying learning together. However I hope that the information is useful to you.

**Many Thanks – Andy O'Neill and Sheridan Moss**

**These are the main areas of learning, not the total of what will be covered.**
