

St Berteline's Church of England Primary School

POLICY FOR PROMOTING BRITISH VALUES

Overview

As a Christian school (through our curriculum, extra-curricular activities and teaching and learning) we will promote Christian values and thus promote British values as we believe the two are interdependent. This will be done through the day to day work of the school. By doing so, we will ensure that all learners understand the values that have traditionally underpinned British society. The teaching of values will promote cohesiveness within our school and community. We will purposefully prepare pupils for life in our country where the population has an increasingly rich diversity of backgrounds, origins, beliefs and cultures by promoting the values on which our society has been built. By teaching pupils these values we will encourage all to become good citizens of the United Kingdom of Great Britain and Northern Ireland and adhere to basic Christian principles in our lives.

Objectives

1. To ensure that all develop an understanding of the Christian values which underpin our lives.
2. To teach pupils to have a mutual respect and tolerance for, and an understanding of the various faiths and beliefs represented in Britain today.
3. To ensure that all learn to uphold the rule of law and support freedom, justice and equality.
4. To help all understand and value the rich diversity that other citizens from different cultures, religions and backgrounds bring to our national society.
5. To value people's differences and respect them.
6. To develop pupils' awareness and tolerance of communities different to their own.
7. To understand and value democracy and to stand up for right against wrong.

8. To care for the sick, the poor, the weak and the old and treat them as valued members of our society.
9. To ensure that learners become loyal and patriotic citizens of the United Kingdom.

Strategies

1. The school will promote Christian and British values through its teaching and learning across all subjects of the curriculum including history, geography, English, literature, sport and games, PHSE and R.E.
2. This school will teach children about the growth and development of our parliamentary democracy and its key institutions including the constitutional monarchy.
3. Learners will be taught about democracy and universal suffrage and the duty of citizens to participate in and contribute to life in Britain.
4. We will develop the skills of participation and responsible action necessary for living together in harmony and peace as citizens of United Kingdom.
5. Pupils will learn about the democratic structures of our national government and we will promote civic pride by helping them learn and understand about local government.
6. Across the curriculum we will teach the importance of duty, loyalty and patriotism.

Outcomes

Through our work and partnerships pupils will gain a good understanding of the values that underpin the privileges, rights, responsibilities and duties of citizenship. We will equip young people with the knowledge, skills and understanding to make a positive contribution to the harmony of our local and national community. We will develop responsible young people who support and positively value community cohesion. This policy will make a key contribution to the school's Christian ethos. The head teacher and Governing Body will assess the impact of this policy and monitor its operation. It should be viewed in conjunction with the school's other policies especially the Equality & Diversity Policy and the Behaviour & Discipline Policy.
