

ST BERTELINE'S C OF E PRIMARY SCHOOL

RULES OF ENGAGEMENT FOR KEYWORKERS

As a school we are keen to support you whilst you carry on doing the key jobs our society needs to function safely.

Obviously, as teachers/school staff we are high risk, being exposed to a high number of children who may be asymptomatic but transmitting the disease. In actual fact we ourselves could be carrying the disease as many teachers have a very high immunity against infection and will be asymptomatic.

I ask that you respect our teachers and their families and that you only take up a space at St Bert's if you deem it to be imperative that you go to your place of work. Anyone working at home will be expected to look after their own children.

We need to protect each other. We have listed below some information which we would ask you to consider. Most of it is common sense.

We will only agree to take and look after your children on the following conditions:

1. Your child is a child of a key worker (please check the government website for the list of key workers) during this public health emergency.
2. You or anyone living in your household has not displayed any symptoms of the virus.
3. You or anyone living in your household have not been in contact with anyone who knowingly has the virus or has developed the virus since your meeting.
4. If anyone in your family contracts the disease you are expected to follow the government guidelines regarding TESTING, TRACKING AND TRACING.
5. You and everyone living in your household are socially distancing yourselves and following the government guidelines on social interaction.

6. You and anyone living with your child have not travelled abroad within the last 14 days.
7. Your child wears school uniform which is removed on arrival at home and washed on a daily basis.
8. You and your child agree to follow the rules of the Covid Agreement in place (see website).

Please sign (electronically if needed) that you agree to the conditions of engagement. Our services will be withdrawn if you are found to be breaking the rules laid down.

PLEASE NOTE:

AS FROM 6TH JANUARY 2021 KEY WORKER CHILDREN ARE EXPECTED TO ATTEND EVERY DAY REGARDLESS OF THE HOURS THEIR PARENTS ARE REQUIRED TO WORK. THIS WILL HELP TO GIVE CONTINUITY TO YOUR CHILD'S LEARNING AND HOPEFULLY LIMIT OTHER POTENTIAL INTERACTION WITH THE VIRUS.

THANK YOU FOR YOUR UNDERSTANDING.
